

Rose Achievement Award

In memory of the City of Roses Chorus, the Rose Achievement Award was established in 1992. City of Roses, an award-winning chorus from Portland with an exciting 38-year history, had an enthusiastic membership dedicated to promoting the art of singing barbershop harmony and to serving Region 24 administration.

The members of Region 24 are encouraged to submit a nomination who will be honored on the "Wall of Fame" during the Regional Convention weekend. The winner will be chosen by the Rose Achievement Award Committee, comprised of the Rose Achievement Award winners for the previous five years, and will be presented during the convention weekend.

Please use the following qualifications as guidelines for nominees.

- Displays enthusiasm and commitment to promoting the "Harmonize the World" theme of Sweet Adelines International and Regional 24 through her music and interpersonal skills.
- Actively participates in both chorus and regional activities and functions.
- Willingly shares skills and knowledge with other members.
- Successfully completes volunteer assignments.
- Willingly works without expectations of recognition.

Nominations are due JANUARY 30, 2010. Information is being sent to each president/team leader. The nomination form is also available on Region 24's website.

Nancy Kurth was presented the Rose Achievement Award for 2009.

Thank you. Your commitment to honoring this award is appreciated.

Gail Dahl, Rose Achievement Chair
