# Passion

## Love to Sing?

Sweet Adelines International is a highly respected worldwide organization of women singers. Each chorus provides access to leading experts in the areas of vocal production, choreography, arranging, directing and more. Together our teams of international educators have created effective educational programs designed to help every woman achieve musical success.

Radiate your passion for singing and become a part of something extraordinary.

real women.  
real harmony.  
real fun.
